**Subject:** Member Investment Poll Report

Dear Peo Holdings (PTY) LTD Directors,

I hope this letter finds you well.

**Introduction**

In an effort to generate additional capital for PEO Holdings (PTY) LTD, a poll was conducted among members regarding a proposal to allow the purchase of shares at a minimum amount of **R250 per transaction**.

It is important to note that **R250 does not represent the value of one share**; rather, it is a minimum investment amount. As a point of reference, an investment of **R60,000 secures a 10% ownership stake** in the business.

The strategy behind this initiative is inspired by similar practices used by online share trading firms and banks, where clients are offered the flexibility to invest in increments (e.g., R500 per transaction). By adopting this model, we aim to:

- ✚ Provide flexibility for members who wish to gradually reach the full 10% ownership threshold.
- ✚ Allow existing shareholders who have already reached their 10% and/or passed their ownership to increase their stake in the business at their own pace.

**Poll Results**

The poll was conducted on the official members' WhatsApp group (10 April 2025 at 13:39 and closed at 19:38).

Out of the **7 members** who are part of the WhatsApp group:

- ✚ **5 members voted "Yes"** in favour of the proposal.
- ✚ **\*\*2 members did not cast a vote.**

Additionally, **1 member** is not on WhatsApp and therefore did not participate.

- ✚ **Total business members: 8**
- ✚ **Members who voted "Yes": 5**
- ✚ **Participation rate among WhatsApp members: approximately 71.4%**  
(Calculation:  $5 \div 7 \times 100 = 71.4\%$ )
- ✚ **Approval rate among all members: approximately 62.5%**  
(Calculation:  $5 \div 8 \times 100 = 62.5\%$ )

## Investment Breakdown

To better understand the entry level of investment, here is a simple breakdown:

- **R250 is approximately 0.42% of R60,000.**

(Calculation:  $(250 \div 60,000) \times 100 = 0.42\%$ )

Thus, each R250 investment brings a member **approximately 0.42% closer** to securing a 10% or more stake in the company.

## Communication Regarding the Investment Process and Record-Keeping Procedures

- ✚ Members will deposit their investment funds **directly into the business bank account**.  
**Banking details are on the last page of this document.**
- ✚ When making a deposit, members must **clearly state their "Initials and Surname + Shares"** in the reference field.  
Example: **"PM Leeuw - Shares"**. If this process is not followed, I may not be able to process and identify your transaction in a timely fashion.
- ✚ At the beginning of each month, a **bank statement** will be sent to all members. This statement will be accompanied by:
  - ✚ A **detailed list of newly purchased shares**.
  - ✚ A **summary of total remaining shares to be purchased** (for those aiming for the 10% ownership milestone).
  - ✚ An **updated shareholding list** showing the latest ownership distribution.

This process ensures transparency, accurate record-keeping, and easy tracking of member investments.

## Conclusion

Based on the poll results, the majority of active members support the initiative. Therefore, **PEO Holdings (PTY) LTD** will proceed to implement the flexible share purchase option, allowing members to invest from a minimum of **R250 per transaction** going forward.

We look forward to strengthening the company together through this flexible investment model.

Sincerely,

**Pule Leeuw**
